

WE ARE HIRING

Podiatrist – Build Your Practice in a High-Demand Regional Setting Kure Medical Group – Mildura / Red Cliffs / Outreach (VIC/NSW Border)

If you're looking for a role where your skills are genuinely needed
not competing for patients – this is it.

Kure Medical Group is seeking a podiatrist to step into an established, high-demand patient base within a GP-led multidisciplinary team. This is an opportunity to build a strong, sustainable caseload quickly while working alongside experienced GPs and nurses managing complex chronic disease.

About the Role

- Deliver podiatry services within a GP-integrated multidisciplinary team
 - Manage a caseload including:
 - Diabetes and high-risk foot care
 - Cardiovascular disease
 - Chronic and complex conditions
 - Participate in case conferencing and care planning with GPs and nurses
- Opportunity to provide outreach services to surrounding communities (e.g. Red Cliffs)
 - Supported by nurse-led care coordination and structured referral pathways

What We Offer

- Flexible engagement – salary or contractor arrangements
- Guaranteed patient flow from an established GP network
 - Visa sponsorship available (TSS/regional pathways)
- Opportunity to shape and grow the podiatry service within an expanding organisation
 - Strong administrative and clinical integration support

About You

Qualified podiatrist eligible for registration with Australian Health Practitioner Regulation Agency
Confident working independently within your scope of practice

International Applicants

We welcome applications from overseas-trained podiatrists
(e.g. UK, Ireland, New Zealand) who are eligible
or progressing toward AHPRA registration.
